

I Am Corona

*Lyrics: Henrik Widegren
Music: Henrik Widegren,

From me to you
I'm free and I'm new
From town to town
I travel around
From mouth to hand
From airplane to land
It's a revival
I have gone viral!

I am Corona, Corona
I'll give it to you
The new kung fu flu
I am Corona, Corona
From me to you
The new kung fu flu

My biggest fans
Don't clean their hands
You are an ace
When you touch your face
If you pick your nose
I'll give you a rose
Cough without cover
And you'll be my lover!

Chorus

*And now it's time for the
Corona dance!*

First do the cough
Then do the sneeze
Then do the fever
Then do the freeze
Then the fatigue
Then do the headache
Then try to breathe
Then do the panic

I am Corona, Corona
Say hooray!

I am RNA
I am Corona, Corona
It's hard to stop
This pandemic pop

I am Corona, Corona
I am the queen
I'm Covid-19
I am Corona, Corona
I'll give it to you
SARS-CoV-2

First do the cough
Then do the sneeze
Then do the fever
Then do the freeze
Then the fatigue
Then do the headache
Then try to breathe
Then do the panic
