

I'm Santa Claus and I am Yours

Music, lyrics: Henrik Widegren

An empty sack
The candy's all gone
The wine is mulled
The TV is on
Every child
Has gone to bed
And I have been kind
All dressed in red
Darling...

Ho, ho, ho. Here I am
Don't say no to your man
I am done and I'm your hon
I'm Santa Claus and I am
yours
Yes, yes, yes, yes I do
Have a ha, ha, hard package
for you
Old Saint Nick will do his
trick
It's Christmas Eve and you'll
receive

I had a coat
But not anymore (*Oh dear...*)
And my red pants
Are on the floor (*Oops...*)
But my little, red cap
I'll let it stay
Cause I know that you
Like it that way

Ho, ho, ho. Here I am
Don't say no to your man
I am done and I'm your hon
I'm Santa Claus and I am
yours
Yes, yes, yes, yes I do
Have a ha, ha, hard package
for you
Old Saint Nick will do his
trick
It's Christmas Eve and you'll
receive

Hear me whisper: Ho, ho, ho
The ceiling's full of
mistletoe
If you follow Rudolf's light
I'll slide down your chimney
tonight

Ho, ho, ho. Here I am
Don't say no to your man
I am done and I'm your hon
I'm Santa Claus and I am
yours
Yes, yes, yes, yes I do
Have a ha, ha, hard package
for you
Old Saint Nick will show his
gift
It's Christmas Eve and you'll
receive
